

# iClicker Reef

## Student Quick Start Guide

### For courses using Moodle integration

*In order for your account to be associated with your instructor's course, you must click on the iClicker REEF-associated link within Moodle. You can complete this process by following the instructions below:*

1. Log into Moodle with your Passport York user name and password
2. Click on your Moodle course
3. Click on the iClicker Reef polling link (green puzzle icon)
4. If you're new to iClicker Reef, sign up and create an account. If you already have a iClicker Reef account, log in but **do not** create a second account.
5. When creating an account, select York University.
6. Use your York email address and include your York Student # when creating your account.
7. You will be automatically added to your instructor's iClicker Reef course.

### For Courses not using Moodle integration

1. Go to [app.reef-education.com](http://app.reef-education.com) or download the iClicker Reef app from the App or Google Play store. If you already have the app, please make sure you've updated the app.
2. If you're new to iClicker Reef, sign up and create an account. If you already have a iClicker Reef account, log in but **do not** create a second account.
3. When creating an account, select York University.
4. Use your York email address and include your York Student # when creating your account.
5. After creating an account, log into iClicker Reef using your new iClicker Reef credentials.
6. Click Add a Course.
7. Select York University.
8. Search for your instructor's name or your course name, and select your course.
9. Click Add this Course.
